We have created the following terms and conditions to ensure that all large dining groups experience the best possible service at Brewhemia and require the following procedures to be followed:

- All guests wishing to book from our group dining menu must book directly through our events team
- We require all group dining bookings to be secured with a non-refundable £10pp deposit
- We recommend pre-payment for all groups dining from this menu and offer an incentive scheme for groups that do (all groups of 20+ must pre pay). Alternatively guests will be required to pay the group dining bill on arrival at the venue
- All pre-order forms must be completed and sent back to the events team one week prior to your event in the correct format. Please be sure to include all dietary requirements when submitting pre-orders otherwise we cannot guarantee we can accommodate these
- Due to our table layout the largest tables size we can accommodate seats 10 guests so all group dining bookings will be seated across multiple tables but we do always endeavour to seat you as close together as possible
- Please note we are a live entertainment venue and therefore your dining will be seated within a lively and loud environment
- We can accommodate under 21s in the venue until 10pm
- We do not allow any fancy dress or decorations within the venue
