

Brewhemia - menu allergens

X = contains MC = may contain

All our food is prepared in kitchens where nuts, gluten and other allergens are present. Our menu descriptions so not include all component ingredients. If you have a food allergy or intolerance please let us know in advance. Almost all of our sausages for weiner dogs, cologne, bangers and sausage fest are 100% allergen free (excluding the Vegan wurst which contains gluten). Sauces, carriers and garnishes may contain allergens, these are marked on the matrix, we can remove these elements from your dish if desired.
